

## Creating an Income Online - Workbook

### Introduction:

The launch of the Internet removed the barriers to business entry and removed the limit on earning potential for everyone. It created a platform where anyone with access to the internet has the potential to generate and income, large or small. There are no educational, gender, culture, ethnicity barriers. The greatest barrier to your success online is your mind-set

In this workshop we explore creating an income online for you.

This workbook contains exercises, questions, a plan template and support contact details.

**Let the game begin 😊**

### Part one:

Introduction to the Internet and Digital Economy and why bother using the internet to create your income?

**Part Two:** List as many ways as you can possibly think of to create an income online.

**Part Three:**                      What do you need to create an income online?

**Part Four:** What are the key fundamental steps to creating a successful business?
